Brexit will 'leave us £59billion worse off'

BREXIT will hit living standards for millions of people and put a £59billion dent in the public finances, Nick Clegg has warned.

The former deputy prime minister said the final deal thrashed out with Brussels should be put to a referendum on whether to accept it or reverse Brexit – and the Liberal Democrats would campaign to keep the UK in the European Union.

Mr Clegg (*above*) accused Conservatives of "hurting the very people who need most help" as the typical household will be £500 worse off this year than in 2016, according to analysis from the Centre for Economics and Business Research.

The Lib Dem Brexit spokesman said the collapse in the value of sterling was increasing household bills and would be sharply felt by holidaymakers travelling abroad.

"If you're going on holiday to Spain this summer, everything you pay for in euros will be 17 per cent more expensive than it was two years ago.

"If you're going to Florida this summer, it'll feel like a 23 per cent hike.

"When prices go up and wages do not, that can only mean one thing: millions of people are going to be poorer. Our standard of living will be lower."

The economic slowdown expected from the Brexit vote had not materialised, but Mr Clegg said the "long-term impacts won't start to be felt until 2019".

GAFFE: Diane Abbott flunked radio grilling

Diane's sums blunder exposes Labour folly

By SAM LISTER
news@sundaysport.co.uk

LABOUR'S Diane Abbott said she "mis-spoke" when she gave a string of incorrect figures during a radio interview about her new policing policy.

The shadow home secretary stumbled over the cost of plans to put 10,000 extra police on the streets in awkward exchanges with LBC's Nick Ferrari.

In one attempt to come up with the bill for the flagship policy, she said officers would earn just £30 while a second go left them with £8,000.

Ms Abbott's assessment of how many new officers would be recruited in the first 12 months of the four-year plan ranged from 25,000 to 250,000,

The shadow cabinet minister told BBC Two's *Daily Politics*: "I do know my figures. I did seven interviews that morning and that was the seventh and I mis-spoke."

Ms Abbott claimed she had repeated the figures correctly during the course of six previous broadcast interviews earlier yesterday morning.

Concerned

"If I didn't know my figures, I wouldn't have been able to repeat them correctly in six other interviews," she added.

Asked if she'd been guessing the figures, she replied: "I knew the figures because I have repeated them many times this morning."

Presenter Jo Coburn said: "You haven't, I haven't heard you repeat them at all."

Ms Abbott said: "Well, I can repeat them now. I'm concerned that you don't want to talk about policing, something the public is concerned with, particularly the rise in violent crime, and you want to go over and over an interview."

"But that's your fault, Diane Abbott," Coburn replied.

Asked if she believed she had instilled confidence in voters over Labour's plans, she replied: "People that listened to any of the interviews I gave this morning, with the exception of the LBC interview, will know that I do know the figures."

The gaffe was quickly seized on by the Conservatives, who claimed it showed Labour's sums "don't add up".

Home Secretary Amber Rudd said: "Diane Abbott has laid bare the chaos that Britain would face if Jeremy Corbyn is voted into Downing Street. One of Corbyn's closest allies has clearly shown that Labour's sums don't add up, they'd weaken our defences."

At her LBC interview, Ms Abbott repeatedly paused and stumbled as she gave a range of figures for how many extra officers would be recruited and what the bill for the plan would come to.

She initially said the four-year project would cost £300,000, then revised it up to £80m before finally landing on £718m.

Although the plan is to recruit 10,000 officers, Ms Abbott said 25,000 recruits would be brought in annually, before later saying 250,000 policemen would be employed in the first year of the scheme.

Labour leader Jeremy Corbyn told Sky News he was "not embarrassed in the slightest" by Ms Abbott's gaffe.

JK: I'M SORRY FOR KILLING SNAPE

HARRY Potter author JK Rowling has apologised for killing off Professor Severus Snape in the final book of the wizarding series.

The writer *(left)* said sorry for the plot twist on the anniversary of the fictional Battle of Hogwarts, during which many characters were brutally killed.

Over recent years she has apologised to fans for the bloodshed in the climactic May 2 battle between the good and evil witches and wizards in *Harry Potter and the Deathly Hallows*.

She wrote on Twitter: "In case the police are reading my notifications, there's a Battle of Hogwarts anniversary tradition going on. I am not on a murder spree.

"OK, here it is. Please don't start flame wars over it, but this year I'd like to apologise for killing (whispers)... Snape. *runs for cover*"

In 2015, she apologised for killing off Fred Weasley, one half of the Weasley twins, and in 2016 she expressed her remorse for the death of werewolf Lupin, who had just become a father to baby Teddy.

Potions master Prof Snape was played in the *Harry Potter* films by Alan Rickman, who died in January 2016.

Big Bro Bear: Chez must fancy me!

NAME CALLING: Stephen says Bear was named after him

HE SAYS BABY NAMED AFTER HIM

By JESS GALLEY jess@sundaysport.co.uk

***CELEBRITY Big Brother* winner Stephen Bear is HONOURED that new parents Cheryl and Liam Payne named their son after HIM.**

The 27-year-old reality star reckons the couple's decision to name their five-week-old baby boy Bear is down to the fact that Cheryl has a crush on him.

Charlotte Crosby's beau said it's a "good" name and sent his best to the showbiz couple, who are yet to confirm the name of their first child.

He said: "Maybe it's because she fancies me. Jokes!

"It's a good name. The baby's going to be good looking with an amazing personality!

"Congratulations to them both."

Bear shot to fame in 2011 when he appeared on *Shipwrecked*, before starring in MTV dating show *Ex on the Beach* in 2015 where he hooked up with former *Geordie Shore* star Vicky Pattison.

He has been dating *CBB* winner Charlotte since February and the pair have discussed plans to have a family of their own in the not so distant future.

Charlotte, 26, said: "I'll probably be pregnant by this January. It's probably going to happen.

"I think we'll have four kids."

● A WAVE of cheesy puns flooded Twitter after it was reported that singers Cheryl and Liam Payne have named their newborn son Bear.

While many said it was an adorable name, others could not resist making a joke.

Among the stream of memes featuring babies dressed as teddies, Froud wrote: "Was the birth so painful that Cheryl wanted him to remember it for the rest of his life by naming him #bearpayne ??"

Evie added: "Bear Payne is a feeling you get when you stand on lego not a baby's name."

Others suggested "Window" would have been a more appropriate first name.

JANET IN LOVE SPLIT

SINGER Janet Jackson has confirmed she has split up with her husband Wissam Al Mana after the birth of their baby.

Janet (right), 50, says the matter is being dealt with by the courts, following the arrival of Eissa Al Mana in January.

In a video posted to YouTube, she said: "I just want to keep it real with you guys for a second. Yes, I separated from my husband. We are in court and the rest is in God's hands."

She married the Qatari businessman in 2012.

Harry's Meghan tipped to play footy WAG role

WAG Rebekah Vardy wants Prince Harry's girlfriend Meghan Markle to play her in an upcoming film documenting her husband Jamie's life.

American actress Meghan, 35, has been rumoured to be in line for the part of 35-year-old Rebekah.

And the WAG has admitted she'd be 'over the moon' if Harry's love interest *(above)* accepts.

Former One Direction star Louis Tomlinson, 25, has been hotly-tipped for the role of Leicester City striker Jamie, 30.

Brunette beauty Rebekah revealed the script had been finished and the family were excited to see the footballer's incredible rise to the top.

She said: "There were rumours Louis Tomlinson was going to play Jamie and I hope that's on the cards.

"There were also reports that Meghan Markle was tipped to play me.

"I would be over the moon if she took on the part, but I suspect that she might be a bit too busy for that."

UK self-employment and temp work rising

SELF-employment and temporary work has increased "significantly" in the UK compared with other EU countries, new research shows.

The absence of effective legislation to regulate insecure work has allowed the growth of insecure employment such as zero-hours contracts, the TUC said.

Its study found the UK had the biggest increase in the number of self-employed workers in the EU from 2008 to 2015 and the third largest rise in temporary workers.

The TUC noted that workers in France could only be on a fixed-term contract for 18 months, while zero-hours contracts did not exist in many EU countries.

TUC general secretary Frances O'Grady said: "It's time Britain stopped being a soft touch for bad bosses."

A MAN accused of murdering an ex-Royal Navy officer with his own car has appeared in court.

Ryan Gibbons, 29, who spoke only to confirm his name for the brief hearing at Manchester Crown Court, is accused of killing Mike Samwell, 35, in Chorlton, Manchester.

He was remanded in custody until his trial on October 16.

The defendant, also of Chorlton, has not yet entered any pleas.

He was charged with murder after the death of Mr Samwell at his home in the early hours of April 23. It is believed the victim was run over after he tried to stop thieves stealing his Audi S3 car.

Mr Samwell, who served 12 years in the Royal Navy, was taken to hospital but died a short time later.

Three others, including a 15-year-old boy, have been bailed.

RANDY COP’S ‘ZOMBIE’ 3-SOME SEX WITH WOMAN AT POLICE STATION

BOOZE PROBLEMS: McPherson *(below)*

He’s jailed for drug-fuelled romps

A DETECTIVE who had sex – including a threesome – with a former suspect while he was on duty has been jailed.

DC Grant McPherson, 37, gave Jessica Lorenzin, 20, herbal viagra and legal highs, which left her feeling like a “zombie” during their sex sessions.

They carried out their affair in hotels, at a spa and even in Notting Hill police station.

The officer met the 20-year-old Albanian student after she was arrested for alleged criminal damage to the door of her home in Earls Court, west London, in October 2015.

They exchanged numbers after he gave her a lift home and the married father-of-one began an affair with her, which lasted until last summer.

Drunk

Their fling came to light after he was arrested over an unrelated matter last August and his WhatsApp messages were recovered.

Last month, McPherson, who has returned to his native Scotland with his wife Sarah and their two-year-old son, admitted misconduct in public office.

He also admitted an offence under the Bail Act after failing to turn up on time – requiring a bench warrant to be issued – because he was drunk.

Two counts of supplying cocaine were dismissed after he claimed he had only given her legal highs.

Judge Martyn Zeidman QC blasted McPherson’s “utterly deplorable behaviour” and for betraying “public trust and confidence” as he jailed him for four months at Snaresbrook Crown Court.

By COLIN HURST
news@sundaysport.co.uk

Madeleine Wolfe, prosecuting, said: “She had sex with him at her home, and then again at a spa with another man, in two hotels, and at Notting Hill police station – all whilst he was on duty.

“She describes him providing her and encouraging her to take a white powder, which he said was cocaine.

“She had not tried drugs and describes the effect it had on her in making her feel like a zombie.”

Miss Lorenzin sent him a message in February 2016 saying: “I am sorry, I thought we were in a dating process, not a drug and f**k, with everything I don’t want to do.”

McPherson was caught out after being reported missing by his partner on August 8.

He returned home “drunk and not making an awful lot of sense”.

Defending, David Hughes said the detective had struggled with alcohol problems, anxiety and depression.

GORILLAZ have announced a line-up of UK dates as they take their new album *Humanz* on a European tour.

The tour also includes November dates in Vienna, Copenhagen, Oslo, Budapest, Prague, Berlin, Amsterdam and Paris.

WAIT IN LINE!

New series of nailbiter not ready until 2019

By LAURA HARDING
news@sundaysport.co.uk

THE creator of *Line Of Duty* has told fans they'll have to wait until 2019 for the next series.

The police drama's thrilling fourth season pulled in its largest audience yet as the mysterious Balaclava Man was identified to be several people rather than just one culprit.

Writer Jed Mercurio told ITV's *This Morning* that viewers will have to play the waiting game before they get the answers to some of the burning questions left unanswered by the finale of the hit BBC show.

He said: "I hope it won't be too long. We are filming the next series next year but it will be in the second half of next year so there is enough time to get the script right and get the cast together. The earliest I can imagine it will be on air is early 2019."

One of the questions he has promised to answer surrounds PC Maneet Bindra, played by Maya Sondhi, who shocked fans by appearing to betray her colleague in anti-corruption unit AC-12.

And he hinted Supt Ted Hastings (Adrian Dunbar) could suffer the consequences of shooting dead one of the Balaclava Men rather than trying to capture him alive.

...but it's the end of the road for Car Share

COMEDIAN Peter Kay has devastated fans after announcing he will not be creating a third series of *Car Share*.

The hugely popular BBC show about two supermarket employees who share their daily drive saw another wave of success with its recent second season.

But hours before the final episode airs on Tuesday, Kay admitted it was to be the end of the road for the sitcom.

He told BBC Radio Manchester: "There's not going to be a series three."

As the shocked presenters tried to persuade him otherwise, he continued: "There's not... there's not. You've got to get out while the going's good."

Kay last year won two Bafta TV awards for the show, including best scripted comedy and best male performance in a comedy programme, for his role as assistant manager John Redmond.

Man denies dogs 'out of control'

A MAN has denied allowing his dogs to be dangerously out of control after a man and woman were attacked.

Armed police shot dead two pitbull-type dogs after the man was bitten on the leg and the woman on the hand in Queen's Park, Bolton, Greater Manchester, on April 4.

Daniel Hennessy pleaded not guilty to two counts of being the owner of a dog which caused injury while dangerously out of control in a public place.

The 39-year-old *(above)* also denied a charge of affray in relation to the same incident.

Hennessy, who appeared at Bolton Crown Court via video-link from prison, spoke to say he wanted the matter to proceed to trial.

A trial date was set for September 25.

STUDENT SKINNY DIPPERS

UNCENSORED

By JESS GALLEY

jess@sundaysport.co.uk

THESE are the X-RATED skinny dipping snaps that our prudish rivals were far too scared to publish.

Saucy students at St Andrew's University, in Fife, stripped off completely and ran starkers into the sea as they celebrated the May Day bank holiday.

The scorching uni students braved the cold to take a nude dip in the bitterly cold North Sea at the Duke and Duchess of Cambridge's old stomping ground.

Knockers

But they didn't just ditch their clothes for a laugh – the skinny dip is actually part of an annual ritual which is supposed to bring them good luck in their exams.

Baring their knockers and fannies, the girls posed for the cameras as they frolicked in the sea over the long weekend.

Unfortunately, some of the girls decided to hide bits of their bodies and kept their bras and knickers on for the dip.

Guess they'll have to work twice as hard when it comes to their studies!

'Tube bomb' lad's silence at court trial

A YOUNG man accused of planting a home-made bomb on the Tube has refused to explain himself at his Old Bailey trial.

Damon Smith was 19 when he allegedly packed a rucksack with explosives and shrapnel and left it on a train on October 20 last year.

There were at least 10 passengers in the Jubilee Line carriage when he left the device, the court heard.

On arrest, the autistic student admitted making the device but claimed he only meant it to spew smoke as a prank.

After the prosecution closed its case, Smith's lawyer announced his client's decision not to give evidence.

Smith, now 20, of Rotherhithe, south London, denies possession of an explosive substance with intent.

TOP 10 TV COPS

TO GIVE HASTINGS A RUN FOR HIS MONEY

HE'S been called the greatest TV cop ever. Adrian Dunbar's portrayal of the enigmatic Ted Hastings has had the nation on the edge of its seats during the latest series of the BBC's *Line of Duty*. But he faces some stiff competition from these supercops…

1 JOHN LUTHER

BROODING and disturbing, Luther's pin-sharp mind and super tec powers have made him a firm favourite with viewers. The archetypal flawed genius cop, played with suitable menace by Idris Elba (*left*).

2 CATHERINE CAWOOD

SARAH Lancashire's character in *Happy Valley* has a tragic past which she needs to confront again when a drug dealer is released from prison. She manages to balance a dysfunctional home life with her demanding job, and doing it with a splash of humour.

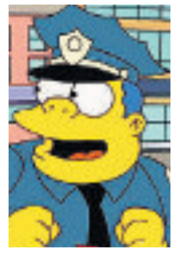
3 GENE HUNT

PHILIP Glenister (*left*) gave us TV gold with his character from *Life on Mars* and *Ashes to Ashes*. Time-travel show showed non-PC Hunt in his element – getting the boot in first and asking questions later.

4 TAGGART

THE craggy-faced Scottish cop was such an institution, the programme had to keep his name when it carried on after actor Mark McManus's death. Taggart was (and still is) the scourge of Glasgow's dark side.

5 CHIEF WIGGUM



KEEPING the streets of Springfield safe for the Simpsons is this genius creation, voiced by Hank Azaria. Er, not quite. Irish-born Wiggum (*right*) is incompetent, lazy and always leading from the back while Eddie and Lou crack the cases.

6 JACK FROST

DAVID Jason's Jack Frost has no truck with authority – he just gets results. Which explains why he has managed to reach old age in the job with practically no promotional prospects. It also allows him to be the People's TV Cop – and it has worked its charm since 1992.

7 SAGA NOREN

A NOD to the moody Scandi noir crime thrillers. Sofia Helin plays the brilliant cop with severe mental challenges in the popular series *The Bridge*. She is anti-social, distant and has a complete lack of empathy with those around her – but she always gets the bad guys.

8 HANK SCHRADER

BREAKING Bad's Hank was a drugs enforcement officer in the hit series, chasing a suspect without ever realising his brother-in-law Walter White was the guy he was after. Dean Norris plays Hank, and he went on to the less well received *Under the Dome*.

9 ANGIE DICKINSON

PROBABLY the hottest TV cop ever. Angie Dickinson (*left*) was every young lad's wet dream as *Police Woman* in the 70s, tackling hardened criminals on the streets of America without ever getting her nails chipped or hair out of place.

10 JACK REGAN

TOUGH talking, heavy boozing, uncompromising Jack Regan was the backbone of *The Sweeney*, leading his young oppo Carter (Dennis Waterman) in the fight against London's villains. Everyone's idea of how 70s coppers should be.

Amy GREEN

BUSTY blonde bombshell Amy Green hardly ever wears knickers as she loves going COMMANDO.

The stunna looks sensational in her white lingerie but she says she'd be much more comfy if she whipped it off – and we definitely wouldn't complain.

However, the 32D lovely, from Sheffield, has had some close calls thanks to her penchant for wearing no knicks – and has come close to flashing her fanny.

Embarrassing

Amy, 28, said: "I hardly ever wear knickers. They can get uncomfortable so I don't feel the need for them.

"I used to go out in little dresses with no pants on all the time. Over the years, I've been in a few embarrassing situations where my skirt has blown up in a freak gust of wind, and I've flashed my bits to the general public…but who cares?

"Sometimes I'll go commando and whisper to my fella that I'm knickerless when we're out for a meal or drinks – it drives him crazy!"

GARY: I DON'T SHAG CRISPS!

By BECCA STUBBS
becca@sundaysport.co.uk

***MATCH Of The Day* host Gary Lineker has confirmed that he doesn't SHAG CRISPS after the infamous claim was erected on a flag during Glastonbury.**

The ex-footballer became the butt of a huge joke when festival revellers unveiled their sign claiming that the England legend bonked the potato snack.

Intercourse

It was a nod to his strong affiliation with Walkers Crisps and his advertising work for their brand.

However, Gary has now denied he has sexual intercourse with any variety of savoury treats after getting flak for years. He said: "There was a big banner at Glastonbury once saying, 'Gary Lineker shags crisps', but I honestly don't. I think they would just crumble anyway!"

Gary's denial comes despite once hinting he'd tried to bonk a pack.

At the time of the flag unveiling, Gary said on Twitter saying: "I'm not sure it's even possible. Goodness knows, I've tried."

The former Leicester City star says that he's recognised for his TV adverts for Walkers crisps "on a daily basis".

Controversial Gary once presented *Match of the Day* in his boxers.

The sports pundit promised to present the first show of the 2016/17 season wearing boxers if Leicester, clinched the Premier League title.

Man, 81, charged over sex abuse in football

AN 81-year-old man has been charged by police in Cambridgeshire investigating alleged historical sexual abuse in football.

Eric Cooper, of The Shade, Soham, has been charged with two counts of indecency with a child between 1968 and 1970.

A Cambridgeshire Police spokesman said the charges relate to one boy.

Cooper appeared at Cambridge Magistrates' Court yesterday.

TERROR LINKS: Jihadi Ullah hid extremist data

By COLIN HURST
news@sundaysport.co.uk

A CYBER jihadi who hid his support for Islamic State on a James Bond-style cufflink has been jailed for eight years.

Samata Ullah, 34, created an online hub of information for terrorists all over the world.

He set up a "one-stop shop" for terrorists from his bedroom in Cardiff, offering a range of guidance on how to stay one step ahead of police and security services, the Old Bailey heard.

Extremist

At the time of his arrest in Cardiff on September 22 last year, he had USB cufflinks with a Linux operating system loaded on it and a hoard of extremist data, including 15 copies of the IS propaganda magazine Dabiq.

The court heard he had advised others not to store incriminating information on computers and recommended using USB sticks to keep it away from "the prying eyes of authorities".

Ullah was jailed after he admitted five terror offences, including membership of IS, training and preparation of terrorist acts.

Commander Dean Haydon, head of the Metropolitan Police's counter-terrorism command SO15, said: "It is the first time we have seen anything on this scale.

"He had set up a self-help library for terrorists around the world and they were using his library.

"There was guidance on encryption, ways to avoid detection from police and security services, expert tuition around missile systems and a vast amount of propaganda. He has created a one-stop shop for terrorists."

LITTLE Mix scorcher Jesy Nelson was left heartbroken after former flame Chris Clark suggested she didn't TURN HIM ON last week.

TOWIE star Chris, 22, briefly dated *The X Factor* winner before dumping her in early April and launching a bid to win back his ex-girlfriend Amber Dowding.

Trying to woo Amber on the ITVBe show, Chris said: "Every guy in his lifetime has that one girl who every time they see them, they can't help but get turned on by them."

But Jesy, 25, fought back by posting a series of seriously racy snaps on her social media accounts.

By JESS GALLEY jess@sundaysport.co.uk

In a bid to prove she's 'over' the failed relationship, Jesy shared this snap of her flaunting her incredible figure in a Chicago Bulls leotard and a pair of thigh high leather boots.

But the *Shout Out to My Ex* stunna isn't the only showbiz babe to have sizzled in thigh-high boots – as Rihanna, Beyonce and Sarah Harding have all taken to the stage in a pair.

And glamour models Dani Maye, Jeana Brock and Gabrielle Saint have also donned them for sexy shoots.

Here are four pages of the fittest celebrity babes squeezing their pins into raunchy over-the-knee boots.

Assange sex allegation a 'set-up', says pop oldie Leo

SINGER Leo Sayer has called a sex allegation against WikiLeaks founder Julian Assange a "set-up".

The hitmaker, 68, revealed himself as an unlikely supporter of the "amazing" Mr Assange, who has been holed up in the Ecuadorian embassy in London since 2012.

The *One Man Band* singer, who now lives in Australia, is planning to visit the WikiLeaks editor-in-chief at the embassy ahead of a UK tour of his most recent album, which includes a track about Mr Assange titled *The Wrong Man*.

Sayer said: "He's a vigilante for the press. He's an amazing man.

"You need people like him, he reveals the truth.

"They're all scared of the truth, of course."

Mr Assange is wanted for questioning in Sweden over the sex allegation, which he denies.

He believes that if he leaves the embassy, he will be extradited to the US over the activities of WikiLeaks.

Sayer called the allegations a "set-up", adding: "You've got the FBI and CIA trying to pin some law on him.

"They try and pin things on him and they don't realise the rules.

"Julian rigidly sticks to the rules."

PULLING ONE OFF: Kym behind the bar of The Rovers

'Stick a rubber willy on a washing machine during the fast spin cycle'

CORRIE'S KYM MARSH REVEALS HER SEX TOY ADVICE

PRE-BOOB JOB: Back when Kym was shagging Jack

***CORRIE* babe Kym Marsh has revealed her X-RATED TIPS for using sex toys – in and out of the bedroom.**

The 40-year-old actress worked for high-street chain Ann Summers before she hit the big time as part of pop group Hear'Say on ITV talent show *Popstars* in 2000.

As part of her role hosting saucy sex parties, Kym would dish out naughty advice to sexually frustrated women on how to get themselves off using a range of kinky bedroom aids.

By JESS GALLEY
jess@sundaysport.co.uk

She confessed: "I worked as a sex party organiser. There would be rooms filled with women who were clearly a little frustrated.

Romps

"The Rampant Rabbit vibrator was popular, as was a toy shaped like a large willy with a sucker on the back.

"I told them to stick it on their washing machines during a fast-spin cycle!

"Women have the same amount of nerve endings on their noses as they do in their private parts.

"So we'd have middle-aged women trying out toys on their noses!"

Kym, who joined the cast of *Coronation Street* in 2006 as feisty barmaid Michelle Connor, was previously married to ex-*EastEnders* star Jack Ryder.

Lifting the lid on their rampant romps, she said: "Jack and I had sex at least three times a day.

"I called him my Duracell man because he kept going and going."

Kym and Jack split in 2008 and the mum-of-three then wed fellow soap star Jamie Lomas, before they called time in 2014.

The telly babe is now loved-up with 27-year-old personal trainer Matt Baker.

I've got to get in GoT, says desperate Eva

HOLLYWOOD stunna Eva Longoria is desperate to land herself a role in *Game of Thrones*.

The 42-year-old actress revealed it would be a dream come true to star in the award-winning HBO series before it finishes for good next year.

Desperate Housewives star Eva confessed she's a huge fan of the show, which is based on the books of the same name by George R.R. Martin.

The Texan beauty said: "I love *Game of Thrones*.

"It would be like a dream job of mine.

"I'm trying to see what I can do."

Eva *(above)* most recently starred in BBC comedy drama mini-series *Decline and Fall*, where she played Margot Beste-Chetwynde, the lover of *Fresh Meat* star Jack Whitehall.

The seventh series of *Game of Thrones* is set to start in July and will see the return of fan favourites Emilia Clarke as Daenerys Targaryen and Kit Harrington's Jon Snow.

LA writers' strike is off

A DEAL has been reached between screenwriters and producers, averting a strike that could have crippled TV and film production in Hollywood.

The three-year agreement, which needs ratification by members of the Writers Guild of America, was confirmed by the guild and producers' spokesman Jarryd Gonzales shortly after the current contract expired yesterday.

The two sides held to a media blackout during negotiations which started on March 13 and centred on compensation and health care.

The agreement spares late-night shows that would have halted straight away.

Movie production would have felt the impact of a strike more gradually.

Actress Debra Winger said: "The last writers' strike affected Los Angeles in a devastating way."

Drunk is jailed for torching soiled pants on night out

A DRUNK who torched his pants after following through during a boozy night out has been jailed for two weeks.

DAMAGE: Massey

By TESS DE LA MARE
news@sundaysport.co.uk

Christopher Massey, 46, suffered his embarrassing mishap at a boat party and set light to his dirty boxers in a dark alley in Aldgate, central London.

But Massey was spotted by residents lighting his undies and throwing them on to a concrete unit housing a generator in the early hours of 16 October last year.

Massey tried to flee but was held by security guards from a nearby building, Westminster magistrates heard.

The prosecutor told the court: "The defendant was seen down an alley which has a concrete structure about 5ft high, 5ft wide and 40ft long housing a generator.

"The defendant was seen to take of his jeans and his underpants, wipe himself, before setting light to a piece of clothing and throwing it on to the structure.

"He then put his jeans and shoes on and started to leave the area."

Appearing in court via video-link from prison where he is serving time for an earlier offence, he told the court: "Yes, it's very embarrassing but I was only trying to burn my pants, it's not as if I was trying to damage a building or anything."

Massey, of Westcliff-on-Sea, Essex, and who admitted arson, said he'd been drinking heavily before the incident and added: "Hopefully when I come out of prison I'll never touch alcohol again."

Eve ANGEL

EXHIBITIONIST Eve Angel recently had a very DIRTY weekend in Dublin – and shagged her man in the LIFT and on their hotel balcony.

The brunette beauty, who boasts 34C boobs, confessed she was left gagging for a quickie when her fella started snogging her in their hotel lift.

Fingered

Eve, 31, from Kensington, told *Midweek Sport*: "I had a very filthy weekend away in Dublin.

"As soon as we stepped into the lift things got REALLY steamy.

By BECCA STUBBS

becca@sundaysport.co.uk

"I felt really turned on when he forcefully pushed my legs apart and pushed my knickers aside and fingered me.

"I was instantly wet and begged him to shag me there and then.

"As I held on to the side rail for support, he entered me from behind and then proceeded to f**k me furiously until we both climaxed.

"Then we went back to the apartment and had some more fun out on the balcony – for all the world to see and hear!"

NICOLE'S BIKINI WAX SELFIE SHOCK!

FANNY REQUEST: Fan asked for selfie during waxing

POP babe Nicole Scherzinger was left red-faced after a fan asked for a selfie with her during a FANNY WAX.

The stunning singer revealed the awkward encounter happened while she was having a bikini wax in Paris.

Nicole, 38, said the unashamed fan not only asked for a selfie with her but also asked for an autograph while trimming her bush.

By BECCA STUBBS
becca@sundaysport.co.uk

Explaining the most bizarre encounter she's had with a fan, Nicole said: "I think it was in Paris when I was getting a bikini wax. That was horrible.

"I thought the chick doing it didn't know me but she was actually a fan. She asked for a picture.

"Right in the middle of the wax. When she was looking at my fanny. I was like, wow."

Although feeling a bit humiliated by the fan's intimate approach, Nicole didn't reveal whether or not she'd posed with her adoring admirer.

Solo

She shot to fame as the lead singer of sexy girl band The Pussycat Dolls before launching her successful solo career.

Her love life has also attracted attention as she dated Formula 1 racer Lewis Hamilton, 32, on and off for eight years and now is happy with 25-year-old tennis ace Grigor Dimitrov.

However, it's her acting career which is set to take off this year as she is ready to appear in the upcoming reboot of *Dirty Dancing*.

Nicole plays Penny, Johnny's first dance partner, in the remake, which will air on ABC on May 24.

Ice queen Jayne's hot for Stevie G

OLYMPIC ice skater Jayne Torvill wants to get to grips with Steven Gerrard after confirming *Dancing on Ice* will be returning to TV screens.

Jayne, 59, urged retired Liverpool and England footballer Stevie, 38, to grab his ice-skates and take part.

The popular ITV show saw 1984 Winter Olympic ice dance champions Jayne and Christopher Dean, 58, teach celebrities to skate.

But it was axed in 2013 after nine series.

Jayne *(above)* said: "I love that it's coming back, I'm looking forward to it.

"The show will be refreshed, but the basics will be the same.

"My son is a massive Steven Gerrard fan. He wants him to do *Dancing On Ice*."

Saucy hols pic Chloe: I've not had boob job

REALITY TV beauty Chloe Goodman was forced to deny she'd had a BOOB JOB after posting a sexy snap on social media.

The 25-year-old shared a sizzling shot from her recent trip to the Maldives which left her fending off surgery rumours.

In her picture, Chloe was seen relaxing topless on a hammock while using only her hands to protect her modesty.

However, it seems Chloe was prepared for the backlash as she captioned the saucy picture with a defiant message.

She said: "Never been a massive fan of tan lines…Q the haters saying I have implants Before you all start I don't I've not had ANY surgery only lip fillers."

Fans were quick to respond to Chloe's picture, with one fan ignoring her message and commenting 'Plastic fantastic'.

Another commented 'you've had lip fillers you've had cheeks done and Botox'.

But plenty also complimented the star on her figure.

Nut guns down seven at party

A WOMAN died after a gunman shot seven people at a birthday pool party.

The suspect, Peter Selis, 49, shot four black women, two black men and one Latino man at an apartment complex before he was shot and killed by police.

Investigators do not yet know why Selis, who was white, opened fire at the party near the University of California, San Diego, cops told reporters.

Several victims had surgery and others are in critical condition. One man was taken to the hospital after he broke his arm running away.

A police helicopter arrived first, and the pilot reported seeing multiple victims on the ground and that Selis appeared to be reloading in the pool area.

Three officers arrived and shot Selis after he pointed a gun at them.

NO REGRETS: Khan says she deals daily with 'this kind of crap'

BIKINI SAIRA LASHES 'IDIOTS'

She hits back at Muslim's taunts

TELLY presenter Saira Khan has hit back at a Muslim man who said she "disgraced" him by revealing her body in a photoshoot.

The 46-year-old joined her *Loose Women* co-stars in the photograph, each wearing swimwear to encourage women to celebrate their bodies no matter what they look like.

Khan, 46, had confessed to battling against her figure while growing up and spoke about how being raised as a Muslim meant she had the "mentality not to draw attention" to her body.

By WENDY THOMAS
news@sundaysport.co.uk

After shedding her inhibitions for the TV programme's campaign, Khan and her colleagues drew large praise.

Negative

But she later took to Instagram to highlight a negative message from a man who criticised her for doing what she did as a Muslim woman.

Khan said she deals with "this kind of crap" daily from the "narrow-minded, misogynistic, brainwashed, backward idiots" who tell her to stop calling herself a Muslim, and from those who are "threatened" by a woman's body.

She posted the man's social media message which read: "Sad you take proud of showing yourself ... once the great boxer Ali said to his daughter, remember God hid his precious jewels underground to only be seen from those who are lucky.

"Similarly only don't show your body to everyone ... your body parts are precious to you ... as a Muslim ... I am disgraced to see this."

Khan fired back: "Here we go. It's my choice to do this and if Allah doesn't like it, let him deal with me."

And she raged: "WTF does it have to do with anyone else?"

TOMORROW night is your last chance to see me in action on Studio 66 TV before I jet off to Majorca next week with Lucy Zara! Tune in to Sky channel 912 from 10pm or Freeview channel 185 from midnight to see what I'm getting up to.

I fly out on Monday, so I will be writing next week's column from the comfort of our villa in the Spanish sunshine!

If you haven't followed me on Snapchat already, then make sure you add me at linseydawnmck as I will be updating my feed with loads of saucy behind the scenes snaps and videos of me and the girls as we shoot some sexy new content!

Linsey Dawn McKenzie

SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST

EVEN more theories about what might have happened to Madeleine McCann were revealed this week on the 10th anniversary of her disappearance.

I don't think we will ever truly know what happened that night after Maddie's parents left her, and their younger twins, alone in their apartment in Praia da Luz. There has always been something that just doesn't add up.

But the only way I can see the truth coming out is if the person responsible – whether she was abducted, killed, or involved in some sort of accident – decides to finally come forward.

Joshua is pure class!

WHAT a fight that was between Anthony Joshua and Wladimir Klitschko on Saturday night!

Both proved that they are absolutely legends of the sport and I honestly think that in years to come we will still be looking back at that fight as one of the best ever.

The way they behaved in the run-up to the fight was a breath of fresh air too, compared to the likes of David Haye and Tony Bellew who ripped each other to shreds for months just to make a bit more money!

It was great to see some real class and respect being shown – in and out of the ring – and I think they should both hold their heads high after that display!

I was rooting for AJ to win as I think he is a really great role model and seems like a genuine sportsman who is more interested in progressing in his sport than being a celebrity.

Before the title fight I predicted that AJ would end it by knockout within the first six rounds and, to be honest, I thought he was done for when the fight was still going at that point.

It will be interesting to see whether they do have a rematch. But I just want to say a huge congratulations to both fighters!

PHOTOS of Rod Stewart, with wife Penny Lancaster and ex-wife Rachel Hunter, watching son Liam play ice hockey over the weekend were really refreshing!

It makes such a nice change to see celebrities actually acting like grown-ups, rather than being petty about divorces and break-ups. It's so nice to see women actually getting along with each other and putting their kids first, rather than attacking each other in the media or slagging each other off. What a good example to set!

WHEN is Kim Kardashian-West just going to admit that she's had liposuction and the fat deposited in her arse?! After the un-airbrushed photos that came out of her last week, I don't see how she can deny it any longer.

I couldn't believe my eyes when I saw how humongous her backside looked. I mean, I love a big round booty as much as the next person, but she has just taken it too far!

Some close friends of mine have had lipo and they all have the same exact little dimples on their thighs and bums as she has.

I know she makes a living out of her looks, but I actually think people would respect her more if she just came out and said, 'Yes, I have cellulite, I'm a normal woman', rather than putting out heavily edited images the very next day.

And it's not good for the young girls who look up to her and aspire to be like her when it's all a load of bollocks!

Sorry, but you're fooling no one Kim!

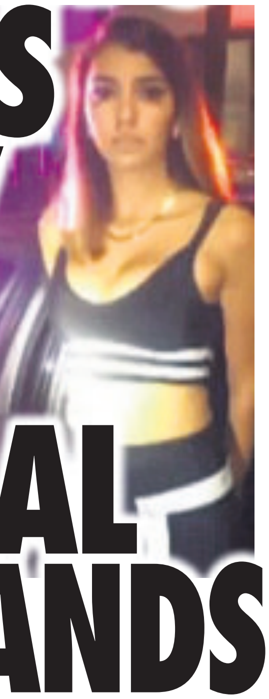
HOOKER'S 'DRUGS & SEX' SCAM TO STEAL THOUSANDS



By COLIN HURST
news@sundaysport.co.uk

A HOOKER seduced men after meeting them in nightclubs and then made off with their luxury posessions, a court heard.

Music exec Alain Rene Galette, 31, has accused Yomna Fouad, 21, of taking off with his clothing, cash, jewellery and a Rolex watch worth a total of £25,000.

They had met outside a nightclub before going back to his place to have sex.

Surveillance footage shows them entering his building, then Fouad leaving by herself with his belongings, it is claimed.

"I wake up drugged, not knowing what's going on, and all my stuff missing," he said.

"She was an innocent face. I was not expecting that from her."

Galette said he did not know at the time that Fouad was a prostitute.

After Fouad allegedly stole his belongings, Galette found her after recognising the tattoos on her hands.

They began arguing in the street. Cops were called and Fouad was arrested.

It was discovered she is suspected of being linked to a similar case in May last year.

In that instance, she allegedly acted with a female friend to target a man they met at a nightclub inside the Fontainebleau hotel, Miami.

At the end of the evening the man offered to get a hotel room for himself, Fouad and the friend.

The women followed him to the hotel room, where he put a £30,000 Rolex watch and £5,000 in cash inside the room safe.

The man reportedly left the room. When he came back, the women and his belongings were gone.

SEDUCTIVE: Fouad 'targeted' rich men

Christina Ricci: I love my fake pubes!

ADDAMS Family star Christina Ricci is more than happy to flash her FANNY on screen – so long as she can wear a MERKIN.

The pertly-breasted actress reckons the artificial pubes cover just as much of her mimsy as underwear or a bikini would during racy nude scenes.

Stunning Christina, 37, has stripped plenty of times on screen, most recently for her role as Zelda Fitzgerald in *Z: The Beginning of Everything*.

And the former child star admitted she has no problem with ditching her clothes in front of the cameras, because everyone knows what she looks like in the nuddy.

She said: "I almost don't feel like it isn't fully nude because the merkin is kind of like wearing a bikini.

"I don't know that I'd ever go just full-on vag. I feel like I'd have to do underwear.

"It's a merkin. It feels just like you have underwear on.

"I've done a lot of nude scenes in my life and I feel like at this point, it's no secret what I look like naked.

"You can Google me. I just make sure that they shoot it first thing so that I can eat afterwards."

TEACHER'S SEX WITH BOY, 16, 12 TIMES IN CLASS

CAUGHT KISSING: Novak

By COLIN HURST
news@sundaysport.co.uk

A FORMER teacher had sex 12 times with a 16-year-old student in her classroom.

April Novak, 32, was originally charged with 12 counts of sexual assault of a student by school staff and admitted three of them when she appeared in court.

As part of a plea agreement, prosecutors dismissed the remaining counts, although they will be read in at sentencing in June.

Novak, from the US state of Wisconsin, told investigators she and the boy "had very strong feelings for each other" that led to sexual encounters several times in her classroom – starting in October 2015 until December that year, when another teacher reported seeing the two kissing.

The boy told investigators that the two had agreed not to tell anyone about their sexual relationship.

Novak claimed she was helping the boy with his studies and that their relationship quickly became closer until they were regularly having sex, while clothed, on a couch in her classroom.

She was on birth control and the boy used a condom that he would discard in a styrofoam coffee cup.

Suspicious

Novak said her husband knew that she was helping the boy with rides and food.

But he eventually grew suspicious that more was involved. The couple have since divorced.

Novak told a detective she thought of taking her life by driving into a railroad bridge with her two young sons in the car.

She also admitted she still had strong feelings for the boy but was "willing to get help and get my life straightened out".

After her interrogation, Novak was committed for a mental review.

I'm back bitches, tweets Tina after signing for MIC

LOVE Island scorcher Tina Stinnes has jumped ship and signed up to star in a rival reality show.

The 22-year-old reality babe took part in the ITV2 dating show last summer alongside Cara De La Hoyde, Kady McDermott and Olivia Buckland.

Business student Tina was booted off the show in week six, but she is set to return to our screens after being snapped up by the producers of E4 show *Made In Chelsea*.

The blonde beauty's debut on the posh reality series was teased this week in a clip taken from next week's episode.

And Tina confirmed her new gig by tweeting: "I'm back bitches."

She will join the show as a former flame of Jamie Laing and will be revealed as the girl he cheated on current girlfriend Frankie Gaff with over Christmas.

And it looks like Tina's appearance is set to ruffle a few feathers, as Frankie wastes no time in labelling her love rival a 'f**king slut'.

Snakebite wrecks marriage proposal

A BRIDE-TO-BE had her marriage proposal ruined when she was bitten by a VENOMOUS snake.

Jessica Daniel had been celebrating her birthday at an amusement park when boyfriend Joshua popped the question.

But the 24-year-old ended up in hospital after a venomous Yellow Faced Whip Snake bit her big toe.

Jessica, of Coffs Harbour New South Wales, Australia, said: "We had been there for a few hours and had one ride to go. But plans changed quite fast.

"It hurt so much ... like someone chopped my toe off. Josh then drove me to the hospital where we spent the next eight or so hours waiting.

"After several blood tests, I was given the all clear and allowed to leave. It isn't a birthday I'm going to forget."

Ashleigh GEE

By BECCA STUBBS
becca@sundaysport.co.uk

NAUGHTY Ashleigh Gee has revealed she sends her bloke saucy texts and X-rated selfies to get them in the mood for their marathon sex sessions.

The 24-year-old, from Chelmsford, Essex, spices up her love life by building up to a bonk through the day by sexting.

She often sends her fella pictures of her impressive 34DD rack and teases him until he's BEGGING for sex.

Ashleigh said: "I love sexting with a guy.

"Nothing gets me hornier than building up to red-hot sex by sending explicit texts during the day!

"I love sending topless pics and naughty videos of myself. And I like to make a meal of it with a marathon session in the evening.

"I love lots of foreplay to build up the tension. Then the release is even better.

"And I love to tease a guy and bring him close, then ease back. Then I repeat until he's begging for it!"

HORNY new research has revealed that women like it ROUGH when it comes to sex.

The study found that the majority of women enjoy experimenting with kinky BDSM practices between the sheets.

More than 60 per cent of girls quizzed admitted they prefer their love-making to be a rough romp rather than a gentle rumble.

Whereas a whopping 75% of blokes liked to do things more rampantly in the bedroom.

The study was carried out by dating site OkCupid and quizzed 400,000 members about their kinky bedroom practices.

For 62% of ladies it was having their hair pulled that turns them on the most, followed closely by handing over control to their partners with 60%.

Being tied up, or doing the tying, also proved a popular turn on for 51% of women.

While less than half (42%) of the women polled said they like hearing derogatory dirty talk in bed.

And most surprisingly, a third (34%) confessed that they get off from "some" or "lots and lots" of pain during sex.

Bondage

OkCupid researcher Dale Markowitz said: "According to our sample of OkCupid members, 71% say they're into kink.

"What's more, over half say they're into bondage or rough sex, and nowadays BDSM is a bigger turn-on than ever.

"Turns out, 'Do you prefer sex rough or gentle' is one of the most agreed-upon sex questions on all of OkCupid.

"It's perhaps not so surprising that daters today are more 'sexploratory' than they were before.

"But discovering just what our members are into, and who is into what, was definitely an educational experiment – and a bit of an empowering one.

"So remember, next time you're itching for something not-so-vanilla, you're in better company than you think."

Kirsty Mitchell says...

> **'FOR me it depends on the mood I'm in at the time. If I've just woken up, I prefer a nice gentle bonk to start the day. But if I'm feeling horny, maybe after a night out or a nice meal, then I like to really get down to business and go for it hammer and tongs!'**

Randy babes can't get enough ROUGH!

Cara Bailey says...

> I AM definitely a submissive in the bedroom so I like my fella to take control and do what he wants to me.
>
> It feels so horny to give up control to someone else and I love being spanked or tied up!

Mandy Smith says...

> IT'S about time people stopped being so prudish and talked more openly about BDSM – we get too embarrassed about sex in this country!
>
> Tie me up, spank me, pull my hair... when it comes to sex, I'm up for anything as long as it feels good!

MIDWEEK Sport SEX FORUM

How to eat your way to better sex (and get five-a-day!)

Tanya Thompson
Age 23, 36C-24-34, from Swansea

By BECCA STUBBS
becca@sundaysport.co.uk

FORGET your five-a-day, folks, because food boffins have found certain foods can boost your HARD-ON and make you last longer in the sack.

A new study has discovered that blokes following a Mediterranean diet can go harder for longer.

Researchers at the University of Mississippi reckon that chowing down on a diet high in fruit, veg, whole grains, olive oil and fish will protect your penis.

Blood vessels in the Johnson can easily get blocked by plaque caused by a number of factors – including poor diet – but experts think that following a Mediterranean diet can solve this problem.

Blocked cock vessels make erections nearly impossible and can even lead to death.

But as well as having health bonuses it will also affect your schlong.

An Italian study made 35 blokes with erectile dysfunction follow the diet and after two years, a third of them had regained 'normal' penis performance.

Although scientists aren't exactly sure why this diet spells great news for your manhood, they reckon it's because a Mediterranean diet provides plenty of nutrients.

Twinge

The diet contains tons of fibre and antioxidants which promote healthy blood flow – meaning easier erections when there's a twinge in your pants.

Scoffing lots of monounsaturated fats (found in fish, avocados, nuts and oil) also helps keep testosterone levels high.

So why not rustle up an Italian style feast in the kitchen before enjoying a night of shagging on your next date?

Midweek Sport stunna Tanya Thompson reckons it's a great idea, and told us: "I absolutely love Italian food – and I also love a bit of cock!

"Putting the two together is a match made in heaven, and if the food makes my fella last longer it's even better!

"Which woman doesn't want to be wined and dined with nice food?

"I reckon all men should follow this and maybe women will be left a lot more satisfied.

"Cook me a meal then f**k me all night long and I'll be putty in their hands – I'll definitely come back for seconds, anyway!"

MY SEX FANTASY …WITH OLIVIA BERZINC

‘I love soaping up big bouncy boobs in steamy shower’

BUSTY Olivia Berzinc revealed she’s at her horniest having a LESBIAN PORN sesh!

By HAZEL GROVE
news@sundaysport.co.uk

The stunning brunette says she loves to bolt herself and her fella in the house for a marathon bonkathon while watching blue movies.

And gorgeous Olivia, 24, ’fessed she gets turned on by the sight of big and bouncy boobs.

Steamy

The Derby lass said: “I love a bit of girl-on-girl porn, just watching girls kissing really turns me on.

“It’s great to relax with a glass of wine and some steamy lesbian porn.

“There is nothing nicer than a lovely big pair – and when I see a nice set I just want to grab them.

“My dream would be to get in a shower with another girl and just soap up her body. I can’t think of anything better than foamy breasts!”

The naughty minx also loves to make a man BEG for sex… with those 32F breasts, surely any bloke would be on his knees.

She said: “You have to show a man who is boss. Sometimes I like to tie them down to the bed – it’s really kinky.

“I’ll make them just sit helplessly while I bite their neck, then I’ll start to strip.

“They have to be literally begging for it before I start.”

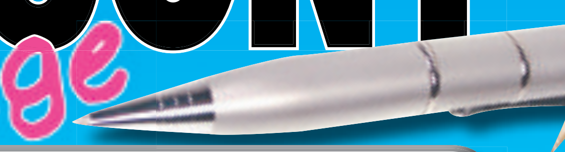
THE WORLD FAMOUS AGONY Page



Dear Sam,

THE other week I found a DVD hidden in my wife's knicker drawer when I was putting her clean washing away.

When I played it downstairs on the big telly I saw my wife was entertaining several well-hung fellas in all sorts of positions.

And to be honest, I was massively turned-on watching them.

We're both in our 40s and our sex life has become a little stale.

When she got home from work that evening I grabbed her and rushed her upstairs, before tearing off her skirt and knickers and going to work on her fanny with my fingers and probing tongue.

Then I boned her doggy-style on the bed and we had the best sex session together that I can remember for years.

As we lay exhausted and out of breath she asked me what the hell had got in to me – but I never mentioned the DVD.

Do you think I should bring it up at some point – and have it out with her?

RL, Cheshire

Sam says…

IF it gives you the horn, and spices things up between you and your missus, then stay tight-lipped.

Dear Sam,

I'M a 22-year-old bloke and I always say that good manners can get you anywhere with women. I work in a bank and a pretty new girl started with us recently.

One day I was walking into work and I saw her just behind me, so I held the door open for her. She said it was nice to see a man with manners and asked what the catch was.

I cheekily told her that it was so that I could get a good look at her arse and she giggled. So not being one to let an opportunity pass, I asked her if she fancied a drink that night.

She agreed, so we went to a nearby pub after work and we ended up back at her place. Her hand went straight to my crotch as she rubbed my growing erection.

Then she unzipped my flies and dropped to her knees. After a few glorious minutes of licking and sucking on my knob, I bent her over a chair and thrust into her doggy-style as she screamed in ecstasy.

It shows that good manners will be rewarded. Wouldn't you agree?

MT, Merseyside

Sam says…

YES, you're a proper gent all right. I bet you even made sure she had an orgasm before you too, didn't you?

Tears flowed as I watched hubby banging neighbour

Dear Sam,

I'VE been married for seven years and never had any reason to suspect my husband was cheating on me – until recently.

I began to suspect after I caught a whiff of perfume on him as he walked past me in the kitchen one evening.

Then a week later I found a smudge of lipstick on his work shirt collar – and it wasn't my usual shade.

So one night after he went out to play darts at the pub, I followed him and was horrified when he walked straight into a neighbour's house a couple of doors away.

I waited for a while and then I decided to take a peep through a gap in her front room curtains.

It was a real shock when I saw my fella being sucked off by the woman who lives there.

After a bit he flipped her over and started banging her doggy-style on the carpet.

I ran home in tears, not knowing what to do for the best.

When my hubby came in later I didn't have the heart to mention what I'd seen – but every time he goes out now I think he's up to no good again.

What should I do?

TG, Notts

Sam says…

TELL him to stop shagging the neighbour or you'll chuck him out.

Wife happy as web porn cured my semi shame

Dear Sam,

MY forgiving wife has put up with me having a string of affairs over the years.

We are both in our late-30s and our sex life has been going downhill while my boozing has increased.

But I've knocked the one-night stands and meaningless car park shags on the head, because I don't want to lose my wife.

She's made a big effort too and has been in the gym a lot lately, working out to get her figure back in shape.

The wife has also started buying saucy underwear and she has shaved off her pubes ready for some clean sex.

But however hard she tried, I could never manage to get anywhere near a full erection.

She'd work away happily on my semi but I didn't enjoy it, knowing I couldn't give her the shag she so desperately wanted.

I didn't want to go to the doctor, because when I was out shagging the town bikes I never had a problem and I was sure he would make us go for relationship therapy.

So I blamed my lack of hardness on my boozing and drank more to avoid my horny wife. But the other night I got home to find her sat in the kitchen with her laptop and her hand in her knickers!

She had found a readers' wives site on the internet that showcased genuine UK amateur girls of all ages, shapes and sizes – all sucking their partners' cocks or frigging themselves off with sex toys.

I watched silently and out of her sight for a while and felt a stirring in the trouser department.

Sopping

By the time she shouted out in orgasm I was fully erect. I crept up behind her and got a great eyeful of all the lovely girls showing their bits as my wife scrolled through the pages.

Before she knew it, I had slipped my rock-hard weapon into her sopping fanny for a good, hard seeing-to.

She was so happy to finally be getting my length. We had frantic sex there and then in the kitchen and I managed to keep hard all the way through, while looking at the wife's laptop screen.

I soon shot my load deep inside her and we collapsed in a happy, sweaty heap on the kitchen floor together.

Now she wants me to send in a few saucy pics of her to the website we were looking at that day.

So I got my smartphone out and snapped her pouring cream over herself in a red leather, studded and crotchless outfit.

Do you think the site will be interested in our cream session?

FG, Northants

Sam says…

I'M glad the internet set you straight. Send your pics in – they sound lovely.

I enjoyed hairy ride with older slapper

Dear Sam,

I CAN'T seem to get an older woman I met at a club the other week out of my head.

She looked to be in her mid 30s and all the lads were trying to have a feel of her massive tits as she flirted shamelessly with them for more drinks.

I was a bit more subtle and quietly asked her for a dance before putting my arms around her.

I soon had a huge hard-on which was digging into her thigh as she thrust her groin into me.

Then she whispered in my ear and asked how old I was. Quick as a flash, I said 21 – even though I'm a couple of years younger.

She laughed and asked if I had a hairy chest. I shot back with: "Have you got a hairy fanny?"

And with a dirty smile, she said she'd show me hers if I'd show her mine.

I slipped a couple of fingers into the hairiest fanny I'd ever got a grip of. At that she moaned and grabbed my hand, leading me outside into the dimly lit car park.

Then she fished my dick out of my pants and sucked on it like a good 'un. I held back and hoisted her on to my knob and did her for 15 minutes.

Since then, I've found out she has a reputation as a bit of a slapper, but I can't stop thinking of her.

What should I do?

TG, Middlesex

Sam says…

TREASURE the memory but concentrate on girls your own age. You never know, you might just find one with a big hairy bush – like your older woman.

AGONY QUICKIES

Dear Sam,

PICKING up my coat from a nightclub cloakroom last weekend, I had to help the tasty blonde attendant find it.

And when she got me behind the rows of garments she fondled my balls and stuck her tongue down my throat.

She plunged her hand down the front of my pants to grab my rising cock as I was feeling her fanny through her sopping wet knickers.

But we had to stop as someone was shouting for their stuff.

And I forgot to get her phone number.

Should I go back?

NB, Bolton

Sam says…

YOU'D be a fool not to. She sounds just the ticket.

Dear Sam,

I'M a 19-year-old uni student and while watching the build-up to the general election I've started getting the hots for Theresa May.

Am I going mental?

GD, Birkenhead

Sam says…

NO.

DANI THOMPSON

MECHANIC Martin Abbott would love to tinker with delightful glamour girl Dani Thompson.

The 44-year-old, from Wigan, begged to see a photo of 34-year-old Dani and her sweater-stretching 34GG boobs.

Martin's ultimate fantasy is for Norwich babe Dani to let him service her engine. He said: "Dani is my all-time favourite woman, she's got huge boobs and gorgeous blonde hair.

"I'd love to give her a good check-over. I'd probably have to insert my dipstick into her, just to check she's fully lubricated!"

BAILEY

FAST food worker Ben Claydon wants to serve up his sausage on topless stunna Bailey's big ole baps.

The 23-year-old serves up burgers and hotdogs, but it's 27-year-old Bailey's 34DDs he really wants on his plate.

Ben, from Great Yarmouth, Norfolk, reckons Bailey, from Guildford, is the ultimate pin-up girl.

He said: "If she ever pops by, she'd be welcome to lick my sausage while I fondle her baps!"

DANIELLE RILEY

MILKMAN Nigel Phillips delivers pints in Plymouth, Devon, but there's only one girl he spills his own white stuff over.

The 48-year-old only has eyes for 34-year-old blonde bombshell Danielle, from Wolverhampton, and her massive 34F boobs.

Nigel wrote to us: "Could I have a topless picture of her please?

"It would help give me something to do after my morning deliveries!"

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

SPEARMINT RHINO BABE OF THE WEEK

Lexi BIRD

By BECCA STUBBS becca@sundaysport.co.uk

BUSTY blonde babe Lexi Bird can't get enough of bad boys and gets turned on by blokes who break all the rules.

The 20-year-old topless beauty keeps herself in tip-top shape by steamy, sweaty gym sessions and her hard work really pays off judging by these pictures.

Lexi looks sensational and proudly shows off her 32DD bust and pierced nipple in sexy black lingerie.

But the stunna, from Northwich, only has eyes for confident bad boys that treat her well – but only in the bedroom.

She said: "I get turned on by lads who break the rules and I want a man to treat me like a princess in public but not in the bedroom if you know what I mean!

"I don't like lads with no confidence, that's a turn off. Confident boys are much more attractive.

"I absolutely love the gym and enjoy working out to keep my body looking good, I also love to party too!"

Spearmint Rhino has a number of gentleman's clubs around the world which boast the most beautiful dancers.

If you can't make it to a club, you can find Spearmint Rhino girls at boxing and Mixed Martial Arts (MMA) fights around the country, or at the British Superbike rounds.

JUVE GOT TO BE ON HIM: Higuain is the Italians' main man

MONACO WAVING GOODBYE TO FINAL

MONACO 15/7 v JUVENTUS 6/4

JUVENTUS line up in their second Champions League semi-final in three years and I fully expect them to make the final.

Monaco have lost their two previous ties against Juventus and the stats are stacked against the principality. The Italian giants have never lost a two legged tie against French opposition.

That's the bad news for Monaco, but there is some good news, Juventus have only won one from eleven semi-final away legs.

I can't help, but feel though that this Juventus team are made of different stuff. They managed to protect their 3-0 advantage at the Nou Camp against Barcelona.

It was a lesson on how to defend and protect what you have, the organisation was simply marvellous.

Can Monaco do what Barcelona failed to do over 180 minutes and score a goal? It's doubtful and therein lies one of our possible betting angles.

Bet365 are offering 9/4 for Juventus to keep a clean sheet, something they've achieved in five of their last six games, which includes playing Barca twice.

Even without the suspended Khedira, which may actually force them to go even more defensive, this looks to be a cracking punt. Juventus won't rock up to Stade Louis II stadium looking to win the match, they will ensure they don't lose it.

They will look to hit Monaco on the break through the likes of Mandzukic and Higuain, but they won't sacrifice their defensive duties.

This may not be the thriller it's being billed to be, I don't expect BT Sport viewers to be spoilt with lots of goals.

In contrast I expect to see a professional job from Juventus and for them to keep yet another clean sheet at 9/4.

CELTA VIGO 21/10 v 7/4 MAN UTD

★ Man United fans are very lucky, Celta Vigo are no great shakes at all. They've lost their last three and it's hard to see the Spaniards causing an upset here over two legs.

The Reds have injury problems and look to be suffering from a hectic schedule in April. This competition though represents a golden opportunity for Jose's boys to play Champions League football once again next season.

The rewards for achieving that are massive, not just in monetary terms, but also in the kind of players they can go on and attract.

Jose needs to rebuild the club, it will become easier from within Europe's number one competition than it's been from outside of it. I can see the Reds coming away with a victory here at 7/4.

If you want something bigger look at Rashford to score and United to win at 7/2. Perhaps the safest punt of all is them to win with the draw no bet at 20/23. Can you see United losing to Celta Vigo?

DANGER: Rashford

MIDWEEK BANKER

★ Tomorrow night get on Millwall at 21/20 to gain an advantage in the first-leg of their League 1 play-off against Scunthorpe.

GREYHOUND RACING

RUBY CAN BE A RASCAL

★ Tonight it is the Coral Regency at Hove live on Sky Sports at 21.08. They may have kicked me out of the broom cupboard (I think I was costing the bookmakers too much money), but they can't stop me giving you winners.

Don't fall for all the hype about some of these up and coming types, go for the highly proven Rubys Rascal in T4.

I had breakfast with his owner on Saturday morning and the camp could not be more relaxed and confident.

I can't believe this talented stayer is joint-favourite at 7/4, it's bonkers, he should be 1/1 and I advise we make the layers pay.

I hope you took the advice in Friday's paper regarding the 66/1 each-way selection of Drive On Tipp for the upcoming Star Sports English Greyhound Derby.

Just one day later this talented greyhound scorched around the 500m at Towcester the home of the Derby and set a new track-record of 29.04.

The 66/1 is just a distant memory, he's now the talk of the greyhound world and 25/1 with some firms.

Make sure you get Friday's paper because I've got another greyhound for you at a huge price, the bookmakers have this dog at the totally wrong odds, just like they did about Drive On Tipp.

Plus I've got the winner of the Scottish Derby for you that takes place on Saturday night at Shawfield and lots more from the doggy world.

THE WINNING POST

Blue can make Point

THE Pavilion Stakes at Ascot todayis a key trial for the Commonwealth Cup which is staged here at the Royal meeting later in the year.

Charlie Appleby's BLUE POINT (NAP) was the best of these at two and I am very hopeful he has trained on.

Rumour has it he has strengthened up nicely over the winter and I think it is sensible that he is being kept to 6 furlongs, rather than try to force him to get an extra two furlongs.

Now that he has filled his frame, he could be a speed ball to follow this year and I certainly want him on my side today.

Corinthia Knight will no doubt be the centre of all the market attention in the 2.00 at Ascot, but I am not convinced he has beat a great deal so far in his career.

By BEN MORGAN

Yes, he has won both his starts impressively, but I'm plumping with Charlie Hills' unraced GLOBAL TANGO.

The booking of William Buick takes the eye and the owner had a few nice two year olds last year. He certainly offers more value than the likely favourite.

PALLASATOR often has himself to blame as his boisterous attitude has let him down on numerous occasions.

In recent seasons though, he has managed to channel his energy in the right way more often than not and given that he goes well fresh I fancy him to take the Sagaro Stakes.

The field is missing the star stayer that normally lines up and Sir Mark Prescott's charge offers the most likely chance of a good run as there are question marks over some of his competitors.

If Luke Morris can settle Pallasator early on, I can't see many getting past him up the straight.

Mootaharer could well be anything but has a mammoth absence to overcome, although he can run a big race.

Slight preference has to be for MONDIALISTE on the basis he should be somewhere near spot on now. He is a high class miler on his day and should strip fitter for his recent run in Dubai. His competitors have bundles of potential, but today is a day to stick with form in the book.

Lyons roars in Worcester as Hastings goes

CRICKET

WORCESTERSHIRE have snapped up Aussie spinner Nathan Lyon on a short-term deal.

The offy will take the place of countryman John Hastings while he's taking part in the Champions Trophy from June 1-18.

Lyon is a Test match performer who has taken 247 wickets in 67 appearances under a baggy green cap.

CLASSY: Nathan Lyon

Worcestershire's director of cricket Steve Rhodes said: "Nathan has been mainly playing Test cricket for Australia and is available for Worcestershire as he has not been picked for the Champions Trophy, Australia having selected a couple of batting spinners instead.

"He is the number one international spinner in Australia at the moment and just had recent success in India.

"The good thing for Worcestershire supporters is we have replaced a top international with another top international cricketer.

"He is a very good replacement. It is a different slant, from a pace bowler to a spin bowler."

Hastings will come up against England's Ben Stokes in the Champions Trophy, with the big all-rounder currently ripping up the Indian Premier League.

He smashed his first T20 century for Rising Pune Supergiant.

Stokes said: "It's always nice, personal accolades, but we're on a roll as a team and if we keep winning these tight games hopefully we can get through to the final."

Warriors face battle to get a team out

RUGBY LEAGUE

WIGAN are facing an injury crisis for their clash against Salford on Friday.

Coach Shaun Wane is waiting on the fitness of no less than 13 players for the visit of the third-placed Red Devils.

The Warriors' plight isn't helped by skipper Sean O'Loughlin being involved in Saturday's Test match against Samoa.

CRISIS: Shaun Wane

Prop Ben Flower is the latest to join the injury list and will have an operation this week on a ruptured Achilles tendon.

Thomas Leuluai, Oliver Gildart, Tony Clubb, Sam Tomkins, Dom Manfredi, John Bateman, Jake Shorrocks, Anthony Gelling and George Williams all missed the 54-4 mauling by Castleford last time.

Morgan Escare, Ryan Sutton and Michael McIlorum are having scans, although the latter is banned for the Salford game.

Wane said: "I think we've got 14 senior players down.

"We've no halves, no back-up half and we've four people being scanned as we speak, so I'll know more about them this afternoon and that will dictate what team I play on Friday.

"It's going to be a very young team and the players are going to have to play well. We're all very positive at this club, we'll be absolutely hell bent on getting an unbelievable win on Friday. I'm genuinely excited.

"Flower is having an operation today and he's gone for a long time," Wane added. "I'm gutted for him. He's been our best front rower."

KANE'S SO KEEN ON HIS FUTURE

Title win is coming to Spurs soon says England hitman

By MARK NAYLOR

HARRY Kane says Spurs have had a great season — even if they end it with nothing.

Tottenham are still pushing Chelsea hard in the title race.

They could yet end up as the best runners-up since it became the Premier League, with 89 points.

But that won't be enough unless the Blues drop four points in their final four games.

Given they are facing Middlesbrough and Sunderland in that run, it doesn't seem very likely. Despite their excellent league form, Spurs have come up short in the cups so the season could end up with nothing to show for it.

But that doesn't bother Kane, who believes the club has made giant strides and it's only a matter of time before Tottenham make the breakthrough.

The England striker said: "We've just got to keep building. We've had a better season than last year and again, whatever happens this year, next year we have to get even better. That's important.

"We have 77 points, which is seven more than we got last year and there are still four games still to go.

"We just have to try to finish strongly. We've got another game on Friday night at West Ham and it's good to play before Chelsea.

"Hopefully we can reduce the gap to one point and then see what happens."

One plus that has come this season is finishing above local rivals Arsenal for the first time in two decades.

Kane hit the target against the Gunners in the weekend derby that means they will look down on them for the first time since Jurgen Klinsmann and Co in 1995.

Kane added: "Of course it is fantastic to finish above them.

"The most important thing for us was to put pressure back on Chelsea.

Choke

"Watching them win at Everton meant we knew we had to beat Arsenal and we did it.

"It was an added bonus that in the last north London derby at the Lane, we managed to make sure we'd

finish above Arsenal at the end of the season.

"It's great for the fans and great for the club. But we're thinking about trying to get that title and we'll see what happens."

Across London, it would take an almighty choke for Chelsea to throw away the league now.

The Blues were superb in brushing aside Everton at the weekend in what looked their toughest game remaining this season.

They can afford to lose one of their remaining four games even if Spurs win all theirs.

Chelsea are at home to Middlesbrough on Monday before a trip to West Brom. The season ends with home games against Watford and Sunderland.

But boss Antonio Conte refuses to accept that the job is almost done.

Right

The Italian said: "We have to have great enthusiasm and great patience because I think we are having a great season but to become a fantastic season we must win.

"Now it is important for us to prepare the right way the next game.

"If we don't win against Middlesbrough then you lose the great win at Goodison Park.

"It is very important after this crucial week for us because we played against Tottenham in the FA Cup and then on Tuesday against Southampton and now against Everton.

"I think we finished a crucial week very well with the win against Everton, which was not easy.

"We all know there is this part of the season that is more important.

"At this part of the season every win is a great win for us."

Radcliffe shits her pants at record change

ATHLETICS

PAULA Radcliffe is shitting mad at plans to erase all world records set before 2005 because there were so many drug cheats.

The runner — famous for crapping in the street during the London Marathon — holds the world record for the endurance distance.

She set her mark of two hours, 15 minutes and 25 seconds in 2003 so that would be one of the records wiped from history.

FUMING: Paula Radcliffe

Radcliffe fumed: "Even though they will always stand as our personal bests, it's very hard to be told, 'We don't value your record, we don't believe and respect it and we can't trust it'.

"They're telling us, 'We're going to do it with your dignity intact,' but it doesn't feel like that and it doesn't feel like athletics is yet at that situation where we can fully guarantee everybody who tries to cheat out there is getting caught and isn't getting away with it — I don't think we can be at that point yet.

"We worked extremely hard for those records, we feel that they're a reflection of us, a reflection of the hard work and the integrity and the work of the whole team around us put in to those performances and being proud of those performances because they're clean performances."

Great Briton Colin Jackson has held the 60m hurdles world record of 7.30secs since 1994, blasted: "All athletes set out to achieve in our sport.

"When we achieve medals it's fantastic, that's our primary objective."

Double champ Skelton out of the saddle

SHOW JUMPING

OLYMPIC champion is hanging up his saddle after his next competition.

The 59-year-old will bow out at the Royal Windsor horse show later this month.

Skelton came back from a broken neck to win the Olympic individual gold at the Rio games last summer.

That came four years after being part of the team gold at the London Olympics.

RETIRING: Nick Skelton

He said: "It took a lot of thought through the winter, really, as to what I was going to do, and also involving Big Star.

"He's had his few little injuries and what have you, but now he is 100 per cent fine, and I intended to carry on this year.

"But after thinking about it, he is in good form again, and if I went and competed and something went wrong, I wouldn't be too happy about that decision.

"I feel much happier that he has retired in one piece, and the same for myself, really.

"I didn't want to jump and something go wrong again. You know he is in good shape, and it's all about him really. He has been so good.

"It is going to be a big weekend at Windsor, but I have thought it all through and as time has gone on, I have come to accept the outcome.

"I've had a good innings, and I have got out in one piece."

"My accident in 2000 was a big day in that could have been the finish of everything.

"I never officially retired, because you just never know what happens."

WONDERGOAL A HUGE BOOST FOR ANFIELD ACES

NOW WE CAN KOP FOURTH

EMRE Can believes his wondergoal against Watford can fire Liverpool into the Champions League.

By ANDY MILLOM

The Germany star smashed in a stunning overhead kick to liven up a drab 1-0 win at Vicarage Road.

It puts Liverpool firmly in the driving seat as the race for third and fourth place hots up. They sit three points ahead of Man City and four ahead of United having played a game more.

But matches rapidly running out, the Anfield lads have Champions League qualification in their own hands.

They have home games against Southampton and Middlesbrough left along with a visit to London to take on West Ham sandwiched in between.

Can said of the Watford win: "It was a very, very big step.

"I think if we perform in the last three games how we can perform then we will win games and we will play in the Champions League next season.

"Our target is to play in the Champions League because with the quality of players that we have here and with a club like Liverpool, your target has to be to play in the Champions League. We will give our best.

"Of course, we knew before the game what happened on Sunday, with the other results, and it was a big, big step for us."

Can thinks it will probably be the best goal he'll ever score, adding: "I didn't think too much, to be honest.

"The ball came, a great ball from Lucas, and I just did it and I was happy the ball went in. I couldn't do anything else there, because the ball was a little bit behind and I couldn't head it.

DEAD LEG: Coutinho

Injury

"I didn't think too much and then I scored and I think I will never score a goal like that again. It was a special goal but I'm very happy that we got the three points."

The downside of the Watford win was the early injury to Phillipe Coutinho. Boss Jurgen Klopp has played down fears that the Brazil ace will miss games.

He said: "Phil had a dead leg. Hopefully it's not too serious but it's really painful and there was no chance he could continue, everybody could see he tried."

Now the German just wants to secure that vital top-four place.

He said: "We just need to stay focused and concentrated. If you're feeling pressure at this stage of the season, then you're fighting for something and that's good.

"It's positive pressure, if you want. We want to keep that pressure. We want to work hard and do everything for the points that we get. We can't accept for a second that it's going to be easy."

FIRST SHOTS IN ZAHA WARS

By PAUL THOMAS

CRYSTAL Palace have issued a hands-off warning to Spurs and Man City over Wilfried Zaha.

The 24-year-old has come right back to his best form this season after his earlier dismal move to Old Trafford.

Tottenham had a move rebuffed last summer and are likely to come back for another go.

They should be joined by City with Pep Guardiola a known admirer of the Ivory Coast international.

Palace chairman Steve Parish says Zaha is a vital part of boss Sam Allardyce's squad.

And he insists that the forward's contract has four years left to run and doesn't run out in 2020 like some reports have suggested.

That's because Zaha signed an extension to his deal last summer that Palace kept under the radar.

Parish said: "He has got four years left to run on his contract.

"I have no reason to believe he will not be here next season.

"Everyone wants Wilfried to stay. I want him to stay. He says he wants to stay.

"Anybody would accept that Wilfried has developed as a player this season. His effort, passing — getting us out of tight situations — six goals, nine assists, that's by far his best tally in the Premier League.

"You have to look at that and as club owner you want to keep everybody happy, we don't want Wilfried to stay because we tell him he's got to stay, we want him to have the right deal."

Zaha will be offered another new deal this summer to become the club's highest-paid player in their history on £100,000 a week.

He currently trails Christian Benteke and Yohan Cabaye in their wage structure.

Another factor in Palace's favour is Zaha now being committed to the Ivory Coast rather than England.

That could put the very biggest clubs off because he'll be missing part of every other season to play in the African Nations Cup.

Palace have yet to secure their safety yet, although they sit six points above the relegation zone.

They have a difficult visit to Manchester City this weekend before a six-pointer at home to relegation rivals Hull.

Given that they finish their season at Old Trafford against Man United, Allardyce will be desperate to have safety secured before then.

WANTED: Zaha

KICKED OUT: Ruddy

Ruddy hell, he's a gonner

NORWICH have started a big summer clearout of players — including former England goalie John Ruddy.

The 30-year-old will not be offered a new contract when his current deal expires at the end of the season.

He's been at the club for seven years since signing from Everton.

He earned his sole England cap in 2012 against Italy and clocked up 242 appearances for the Canaries.

He will be joined by some other familiar names — Sebastien Bassong, Steven Whittaker, Ryan Bennett, Youssouf Mulumbu, Michael Turner and Kyle Lafferty are also being shown the door.

Bassong moved to Carrow Road from Tottenham in 2012 but has been out of the side this season.

Sporting Director Stuart Webber said: "We'd like to place on record our sincere thanks to all of the players who are moving on for their contribution to the club and wish them all the very best in the next chapter in their careers."

Cherries ace ripe for Defoe bid

BOURNEMOUTH defender Adam Smith is urging Jermain Defoe to join him on the south coast.

The pair were together at Spurs and the England striker can leave Sunderland on a free after their relegation.

Smith would love to welcome him to Dean Court.

He said: "I did have a word with him after the game, actually, but I can't go into too much detail!

"Hopefully, he will come here next season.

"He is constantly on your shoulder and really annoying to play against.

"I think he would thrive in our team and, with all our creative players, he would get loads of chances.

"Jermain was so sharp when I was with him at Spurs.

"He is 34 now and he hasn't lost any of that ability at all.

"He has scored 14 goals this season for the team that is bottom of the Premier League."

JUVE FACE BIG TEST

THREATS: Mbappe and Falcao can keep Juventus honest

Monaco tough nuts at home

MONACO take on Juventus in the first leg of the Champions League semi-final in the Principality this evening in what promises to be a terrific game.

The French League leaders have scored three goals in each of their four knock out games in the Champions League this season although they will find this Juventus defence a much different proposition given the Old Lady have conceded just twice in the competition this season in ten games.

Juventus are unbeaten in ten CL ties this season and the Serie A side are 6/4 at BetVictor to take a lead back to Turin for next week's second leg with Monaco 2/1 and the draw at 12/5.

With home court advantage, the recommendation must be for Monaco to take a lead to Italy although I doubt that it will be enough to prevent Juventus making it through to the final in Cardiff next month.

Juventus are 1/3 to qualify for the Final with Monaco 9/4 and the Italian side have reached the final in five of its six previous Champions League semis. They may well be in Wales next month but they will have to come from behind to do so.

Manchester United have never previously met Celta Vigo in European competition but they do have a poor recent record against Spanish sides in Europe losing five and drawing one of their last six ties.

It is well documented that the Europa League is the one major trophy that has eluded United and Jose Mourinho's side are 17/10 to win in Spain with the hosts 7/4 and the draw 85/40 with BetVictor.

United are 1/3 to qualify for Stockholm and they will be well aware that Celta do ship goals, having kept just one home clean sheet in six games so far this term. Both teams to find the back of the net is evens and I think that is a very fair price.

★ Saturday's Qipco 2,000 Guineas will have its smallest field for at least 22 years given there were only 12 entries at the five-day stage and it looks odds on that there will be a single-figure field.

Churchill was cut to 6/4 with BetVictor with French raider Al Wukair 7/2, Barney Roy 4s and Eminent 5s. The winner should come from this quartet. Talking of quality and Ascot stage a couple of Group 3s and a listed contest this afternoon but we begin with a look at the Fillies' Conditions Stakes over the round mile.

Glitter Girl is the highest rated filly of the 10-strong field but she concedes 3lb to her nine rivals and was not at her best when well held in the Fred Darling at Newbury on her reappearance.

This step up to a mile will help but preference is for the Godolphin trained Kazimiera (2.35) who will get further than today's mile this term and was too keen on her reappearance to do herself justice.

The only unbeaten filly in the field is John Gosden's daughter of Frankel Icespire who won a Salisbury maiden on debut – a race that has already thrown up a couple of winners. Like so many of her father's progeny, she can be a bit keen and is again fitted with a hood to help her relax.

The 6f Pavilion Stakes looks a mini Commonwealth Cup and I am pleased that Sir Dancealot (3.45) drops back to this trip having looked a non-stayer in both the Racing Post Trophy (Mile) and Free Handicap (7f) on his last couple of starts. The selection is 8/1 at BetVictor and that looks a fair each way price.

Mill Reef winner Harry Angel (4/1) and Gimcrack winner Blue Point (2/1) head the market and the latter is a big danger but I hope Shane Kelly gets a nice tune out of Sir Dancealot who is 10/1 for next month's Commonwealth Cup.

For the first time in a long-time Gambit (3.25) took a step forward at Nottingham last time and Tom Dascombe fits a tongue tie and a hood on the gelding for the first-time at Pontefract. If the aids work the oracle he must go close as I am convinced the ability is there and the yard are in very good form.

At Yarmouth this evening, I will be disappointed if Lethal Impact (5.20) can't shed his maiden tag .

SWEATING: Sergio Aguero

Sergio season depends on scan results

SERGIO Aguero will find out today if he will play again this season.

The Man City striker limped off in the closing stages of their disappointing 2-2 draw with Middlesbrough on Sunday.

It looked like a groin strain and the Argentina hitman will have a scan on the injury today. If it's anything other than a minor pull, he could miss three weeks which would mean the end of his season.

City are facing a battle with neighbours United, Liverpool and Arsenal for a precious Champions League place.

They take on Crystal Palace on Saturday lunchtime and he'll be missing for that whatever the scan reveals.

It piles the pressure on Gabriel Jesus who has just come back from a long injury break himself.

BACK: Gabriel Jesus

Action

He broke a metatarsal at Bournemouth in February after scoring three times in his first three games for City.

He knocked in the equaliser against Boro but boss Pep Guardiola wouldn't want to start him so soon after returning from a long break.

The Spaniard said: "He has been out for three months and has only had four training sessions."

Jesus was pleased to be back in first-team action but admits that it took a lot out of him.

The 20-year-old said: "I'm a little tired, that's normal.

" I am sad that I didn't play what I know, but with almost three months out, it's normal.

"Let's work hard this week to be better on the next game. I've never been out for so much time, but I'm happy to be back, doing what I love.

"Now I have to train and play, train and play to try to secure a place in the Champions League."

And whatever happens with Aguero this season, Jesus clearly expects to be playing as much as his senior strike partner.

He said: "There isn't a starter or a reserve. The one in a better moment will play.

"It's good. It's the coach's decision. We will fight for our place somehow."

Jesus's goal against Boro means he has scored four times from his first five shots on goal in the Premier League.

CHAMPIONS LEAGUE: Wednesday, 7.45pm kick-off, live on BT Sport 2

MONACO wonderkid Kylian Mbappe is putting himself in the shop window thanks to his exploits in the Champions League this season.

He showed his talent when the French side took on Manchester City earlier in the competition.

The Blues would love to sign the 18-year-old but face stiff competition from neighbours United and just about everyone else in Europe.

The teenager says facing City was the highlight of his career so far. He added: "My personal highlight was the away leg of the Manchester City tie, because it was my first start – I heard the music as we walked out onto the pitch and it was really special. I took real pleasure from that experience.

LEGEND: Gianluigi Buffon

Immense

"Since I was a boy, I've always dreamt of playing in the Champions League. I would watch all the games — even now I still watch all the Champions League games. So playing in it was an immense pleasure for me."

He is looking forward to the challenge of taking on Juventus and veteran goalkeeper Gianluigi Buffon.

The Italian has been between the sticks for the Turin giants since Mbappe was in nappies.

He said: "Buffon has made his mark on history, one of the best keepers in the world. I'm glad I'll play against him.

OUT: Sami Khedira

"You work every day to play against players like him.

"When you do, you want to give your best to beat them.

"Juventus are a great club.

"Everybody knows their history, the great players who played there, the great players who still play there.

"They're a great team, and they eliminated Barcelona who were also among the favourites.

"They showed they have what it takes to win the competition.

"But we also have qualities and we'll do everything we can to get to the final."

Juventus are without Sami Khedira who is suspended for the first leg.

EUROPA LEAGUE SEMI-FINAL:

WE'LL LEAVE REDS BLUE!

Celta Vigo hitman taunts United

By PAUL THOMAS

CELTA Vigo striker John Guidetti has taunted United — by saying Manchester is blue.

The former City hitman has been stirring the shite before tomorrow's Europa League semi-final first leg in Spain.

The big Swede has had his first attack of the tie.

He said: "I played in England and lived in Manchester for six years, so I follow both of the teams there.

"United are a very good team. Obviously they've got a good manager, a fantastic stadium, and they're one of the favourites to win the Europa League.

"But as they say 'Manchester is blue' and that's how it will be when we visit there as well, because we are Celta Vigo and we will try to keep the city blue.

"We know how much is at stake for Manchester United in this tie.

"They also want to play in the Champions League next year, so this is a tournament that they want to win desperately. But we also want to win it.

"Both the home and away legs will be like two finals."

United boss Jose Mourinho has made no secret of his frustration as the Reds' injury list just keeps on growing.

Silly

The latest long-term casualty is Luke Shaw who limped off after just eight minutes against Swansea on Sunday.

A scan has confirmed that he will miss the rest of this season — and is even a doubt for the start of the next one.

It makes Mourinho's sarky comments about the full-back seem a little silly now.

After the Swansea game he said: "It must have been a big injury for him to go off so early in the game."

There's clearly some big problem between Shaw and the Portugeezer and it wouldn't be a surprise if limping off was his last action in a United shirt.

It was an injury the Reds could ill afford and it leaves their defence looking very makeshift for their trip to Spain. As well as Shaw, Eric

SWEDE DREAMS: Guidetti has turned the air blue

Bailly, Chris Smalling, Marcos Rojo, Phil Jones and Timothy Fosu-Mensah are all missing from the backline.

It means Antonio Valencia and Ashley Young are likely to occupy the full-back slots against Celta.

And in the middle, Daley Blind and Matteo Darmian are the partnership charged with keeping the Spaniards out.

There is some talk that Jones or Smalling might make it back — but the manager doesn't sound too confident.

Mourinho said: "I don't think they will. That's my personal opinion, I don't think they will but I know the players I choose will give everything.

"It doesn't matter if I go with Darmian as a central defender or Carrick, I trust the boys.

"They give everything, the spirit is amazing and the group is phenomenal."

There's better news further up the pitch where Marouane Fellaini's domestic ban doesn't apply in Europe and Paul Pogba has recovered from the hamstring problem that has kept him out of the past two Premier League games.

Mourinho confirmed: "Fellaini and Pogba will be back for the game so there are a little bit more in terms of options so we will give everything we have."

Precious

And he repeated his threat to play the under-23 side in the final league game of the season against Palace.

That would come just before the Europa League final and Mourinho would know by then if he needed to win it to secure that precious Champions League place.

He added: "If we beat Celta, we have the final and, in this moment, it is obviously hypothetical.

"The Europa League final is on the Wednesday and we play against Crystal Palace on the Sunday.

"Before that, we play Southampton away a few days before, so we would be playing the final with disastrous consequences.

"So, again, maybe this result is also a blessing because maybe I can bring Nicky Butt and his team to play against Crystal Palace."

The problem for Mourinho is the Swansea draw makes the Europa League more vital as chances of finishing in the top four shrink.

He knows how important the Celta Vigo tie is, saying: "For me, the next game is always a big game. We go with everything we have — it doesn't matter who plays. They give everything, so I always trust them.

"With one more day to rest than from Thursday night to Sunday morning, we have one day more. It's a little bit more human."

RED LEGEND: Van Der Sar

Van Der Sar gives youth a chance

Ajax v Lyon

EUROPA LEAGUE: Wednesday, 5.45pm, live on BT Sport 2

EDWIN Van Der Sar says Ajax's policy of bringing young players through is still paying dividends.

The former Man United goalie is now director of football at the Dutch giants who could face the Reds in the Europa League final.

Because of a national holiday in Holland, the first leg of the other semi kicks off this evening.

And Van Der Sar is happy to see so many young players pulling on an Ajax shirt this season.

He said: "The club's philosophy is that these guys know they will get a chance at Ajax, and if you are good enough you will play in the first team.

"That's the great thing for these guys, because when you are 17 and you see your friend making his debut in the first team, you want that too.

"You also want to get that attention and feel that pressure. So many players have made that journey with Ajax, and a lot more will do the same in the years to come."

Van Der Sar says there are plenty of differences between the way Dutch clubs and English teams see young players.

National

He added: "There are first-team opportunities for 17, 18, 19-year-olds at Ajax if they have the talent, perseverance and tactical skills.

"Sir Alex Ferguson at Manchester United once said about a certain player 'he's a big prospect, a great talent' and that guy was 23.

"Our captain is 23 and he has played 150 matches in the first team and plays for the national team. Those are the opportunities that Ajax offers."

Teenagers Matthijs de Ligt and Justin Kluivert have both played their part in Ajax's success this season at just 17.

Van Der Sar added: "It's what Ajax stands for. We give young players dreams and opportunities, and then it is up to you to stay there.

"We are a team that raises players – our core business is education.

"We are one of the few clubs in the world able to do that and that's why we are respected in international football."

Swede says he's stronger after knee op

OP-ING MAD: Zlatan has been under the knife

ZLATAN Ibrahimovic says he is "fixed" after an operation on his knee injury.

By JOHN ANTHONY

The Man United striker has issued an upbeat report and insists that his career is NOT over.

He posted a picture of the scar on his knee with the message: "Fixed, done and stronger. Once again thank you for the support. We will enjoy my game together soon."

Ibrahimovic has had a stellar season with United but it came crashing to a halt when he landed awkwardly during the Europa League clash with Anderlecht last month.

At the age of 35 it looked as though he could have played his last top-flight match.

He will still be out for around six months and is likely to stay at Old Trafford this summer.

The player's statement came after his agent Mino Raiola denied that he wouldn't play again. He also confirmed that the surgery had been a success, adding: "Zlatan Ibrahimovic has undergone successful knee surgery.

"He will make a full recovery and has not suffered a career-ending injury."

Zlatan-less United head to Spain for a crucial Europa League semi-final first leg against Celta Vigo tomorrow.

Winning that tournament looks their best route into the Champions League for next season.
